

# Professional Learning Communities Elementary School Science Teachers 2018-2019

Calling all elementary teachers! Are you in need of supplemental Science curriculum to fill the gaps for NGSS? Here it is! Come to learn a unit worth of Science based on the bestselling book, Picture-Perfect Science. Each session is grounded in science notebooking and literacy skills. Participants will leave with a complete unit, teacher books and a kit of materials—all designed to integrate science in an interactive and engaging manner. Come network and share ideas with elementary teachers across Fresno County!
